MEETING AT ITS HEIGHT

Better Grade of Racing Assured with Size of Fields Increased.

Splendid Array of Attractive Stake Features for This and Next Week.

New York, July 22.—The final nine days' of the Empire City meeting promises to bring a big improvement in the sport at Yonkers. Certain it is, the fields will be much larger than during the first few days, as the Kentucky contingent is now here and their horses are ready to race.

Convincing evidence of the wonderful interest displayed in the sport this year was shown Saturday, when the largest crowd that ever visited the Empire City track was present. Furthermore, it was made manifest that the more promising the program offered, the greater the crowd present. Saturday's card was a first-class one in every respect and the New York racing public showed their appreciation by turning out by the thousands.

The Knickerbocker Handicap of $3,000, to be run Wednesday, should bring together a high-class field of three-year-olds. It would not be surprising to see John Sanford's Tippity Witchet make his three-year-old debut in this feature. The little racer is going along soundly in his training and his name among the entries would lend additional interest to its decision and help bring out a big attendance.

Jack Hare Jr., winner of the Empire City Derby Saturday, is also among the eligibles and there are few racers more popular than this game and speedy three-year-old. Among the other prominent eligibles are the Brighton Stable's consistent and speedy Flags, E. R. Bradley's Bubbling Louder, Cleveland Stable's Matinee Idol, W. R. Coe's Nutcracker, G. W. Loft's Papp, Andrew Miller's Recount, H. A. Porter's Ultima Thule, Quincy Stable's Elmendorf, A. A. Reilly's Green Gold, M. L. Schwartz' Enfilade, H. P. Whitney's Johren, J. E. Widener's L'Infirmier and R. T. Wilson's Whippoorwill.

For Thursday of this week the Sprightful Stakes of $2,000 is the stake offering. This event is for two-year-olds under selling conditions and among the entries are such as Blushing Beauty, Clen Ryan, Bulldoze, Jumper, Auntie, The Boy, Bagheera, Fannie Mehan, Wonderman, Madam Byng, Jorice, Nelle Yorke, Fleeing Sheik, Pluviada, Railbird, Crystal Ford, Dahinda, Pigeon, Green Mint, Tommywaac, Thistledon and others.

Saturday the valuable East View Stakes, and the Yonkers Handicap are expected to attract another capacity crowd. The East View Stakes is for two-year-olds and has a guaranteed value of $5,000. W. R. Coe's Sweep On, winner of the Whirl Stakes last Saturday, is not among the eligibles to start in the East View, but Lord Brighton, Clen Ryan, Believe Me Boys, American Ace, Fannie Meehan, Eternal, Fleeing Sheik, Surf, Ticklish, My Friend, Gath, Pigeon and others form a group from which a splendid field can be mustered.

FAST FIELD FOR YONKERS HANDICAP.

The Yonkers Handicap is for horses of the older division and is at one mile and a sixteenth. A great field is assured with such well seasoned and high-class performers eligible to start as St. Isidore, Old Koenig, Kalitan, Spur, Ballad, Bantry, Turf, Whimsy, Bella Desmond, Tom McTaggart, Papp, Hollister, Fruit Cake, Hanovia, Roamer, Cudgel, Damrosch, Westy Hogan, Hendrie, Borrow, Trompe La Mort and Corn Tassel.

The Empire City meeting closes Wednesday, July 31, and for the three days racing of next week, two stake events are provided. On Monday the Melrose Stakes of $2,000, for three-year-olds and over, under selling conditions, will bring together a big band of platers, such as Koh-i-Noor, Nolawn, Bribed Voter, Bubbling Louder, Counsel, Turf, Caddie, J. J. Lillis, Garbage, Whimsy, Dorcas, Trophy, Frederick the Great, Cum Sah, Kate Bright, Slippery Elm, Barry Shannon, Compadre, Elmendorf, Gloomy Gus, Green Gold, Damrosch, Stitch in Time, Pullux, Etruscan, Pickwick, L'Infirmier and Whippoorwill. The Melrose Stakes should be a well-contested and hard fought struggle every yard of the mile and a sixteenth, the distance of the race.

The closing feature of the meeting will be the Wakefield Handicap of $3,000 for two-year-olds. It will be run next Tuesday. The field will come from among the following: Questionnaire, By Heck, Buncrana, Lord Brighton, Clen Ryan, Recess, Patrol, American Ace, Croix d'Or, Jorice, Fleeing Sheik, Eternal, Ticklish, Blairgowrie, Tuscaloosa, Joyful, Wise Joan, Roi Craig and others.

Altogether, the program for the concluding days of the Empire City meeting is replete with stake features for horses of all ages, catering to the selling platers as well as the topnotchers. These features, in connection with the overnight races, should furnish some excellent entertainment for metropolitan turf patrons during the next nine days.

Jockey J. Loftus has collected about $150 for the Soldiers' Tobacco Fund from among the jockeys riding in the east. Lyke and Byrne headed the list with donations of $10 each.

WEIGHTS FOR THE SARATOGA HANDICAP

Cudgel Assigned Top Weight of Those Most Likely to Start in Opening Day Feature.

New York, July 22.—A. McL. Earlocker has just returned from a hurried inspection of the Saratoga course. He reported the track proper is in perfect condition, which speaks volumes for the work superintendent Myers has performed.

A complete sprinkling system has been installed for the steeplechase course, which is in far better condition that it has been for years. He has put new turf at many points where the footing was trying, and all the jumps have been rebuilt.

R. T. Wilson has been at Saratoga for a week supervising the improvements. He expresses his satisfaction with the track in glowing terms. About 800 horses have already arrived on the ground.

The weights for the Saratoga Handicap of $7,000, for three-year-olds and over, at one mile and a quarter, to be run for on Thursday, August 1, opening day of the meeting, have been announced and are:

THIRTY LEADING AMERICAN JOCKEYS

No change of importance took place in the standing of the jockeys last week. With only one track in operation, little of the kind was to be expected. L. Lyke made a neat addition of six winning mounts to his already swollen account. H. Lunsford was temporarily out of riding, but is still second. Sande added one winner since going to New York. Frank Robinson had a winner early in the week and then went away to help get the Whitney horses ready for the Saratoga campaign now near at hand. Jockey Ensor, seemingly something of a comer himself of the Lunsford and Sande pattern, had a good week with six wins to his credit. At the end of racing last Saturday the records of the thirty leaders stood:

CURRENT NOTES OF THE TURF

Major August Belmont will contribute about twenty-five yearlings from his famous Nursery Stud in Kentucky to the auction sales at Saratoga in August.

Trainer Simon Healy entertains high hopes of bringing Major Cassatt's good gelding Garbage back to the races in a short time, although it was feared for a time that the gelding's racing days were over when he was badly cut down in a race last week.

LATEST KENTUCKY TURF GOSSIP

Kay Spence's Horses to Summer at Douglas Park—J. B. Campbell Leaves for Michigan.

Louisville, Ky., July 22.—The horses of Kay Spence, W. W. Darden, G. Knebelkamp and Charley Rowe have arrived at Douglas Park from Latonia, and will be summered at that course. All of the horses in those four stables have had a hard spring of it and freshening them up will no doubt help them considerably.

Word has been received from Latonia that several of the big stables which contemplated an eastern campaign are still unable to get express cars and it is doubtful when they will get away. Those which were bound for Empire City will now no doubt be sent on to Saratoga.

Gene Elrod, who has charge of the pari-mutuel departments on the Kentucky circuit, took a few of his employes to Toledo, O., for the Grand Circuit meeting, at which the "iron men" will be used for the first time. Following the close at Toledo, Elrod will return here for the summer.

Hundley Baker will not ship his horses east, as was his intention, but will summer them at Latonia. His thoroughbreds have had a strenuous campaign this year, and they will no doubt be benefitted by a good rest.

Jockey Roscoe Goose, who intended to ride at Saratoga, has returned to his home here and will rest up until fall. Goose was seriously injured last spring at Lexington, but is too game to let a thing like getting hurt make him retire from the saddle, and he says that he will be back "with the bells on" when racing is resumed in Kentucky again.

J. B. Campbell, racing secretary at Churchill Downs, Douglas Park and Latonia, has left on an automobile trip to Bellaire, Mich. Mr. Campbell has had a strenuous siege, as he worked all winter at New Orleans and Hot Springs, with the exception of a few weeks, when he was confined in a hospital in the former city with appendicitis and he plans to take a good rest this summer.

W. H. Shelley, whose home is in this city, and who is a placing judge at all of the Kentucky tracks, is serving as clerk of the scales at Empire City now. He will return home for the summer at the conclusion of that meeting.

FILLY BELLSOLAR TURNED OUT.

Dr. Henry Harthill has fired Bellsolar, the good two-year-old filly owned by the estate of W. F. Schulte, and several times a winner on the Kentucky circuit last spring. Trainer James Everman brought her down to Douglas Park. Bellsolar developed ankle trouble late in the spring, but Everman thinks that it will not be of a serious nature, and now that she has been fired, he expects her to be better than ever next fall. Everman has Jake Greenberg's horses in charge, including Churchill Downs, which won a race at the recent Latonia meeting.

W. A. Kirwan, bookkeeper at Douglas Park and Latonia, has arrived from the Milldale course. It took Kirwan several days to get his affairs straightened away, and he came home as soon as he saw that everything was sailing smoothly.

John Daniels, who formerly rode for E. R. Bradley, but who this spring has been employed by the A. K. Macomber stable, is able to be around again after having been confined to his bed for a month with stomach trouble. Daniels could not even go to Latonia with the Macomber horses because of his serious condition, but he is in the best of health now and will report to trainer Walter Jennings at Saratoga.

Mike Quinn, who has been connected with the sport of running races for more than a quarter of a century, is one person who contends that jockey Harry Lunsford is the best rider seen in the Blue Grass State, or any place else for that matter, in years. Mike has worked in the jockeys' room on numerous tracks and has been thrown into close contact with hundreds of the country's best riders, but he says that he has never seen Lunsford's equal from any standpoint. "Jockey Sande is a high-class rider," said Quinn, "but he will have to show me at Saratoga that he is a better one than Lunsford."

Jockey Chris Miller, who has been under contract to A. F. Dayton for several years, is spending the summer in this city. Chris was injured in a fall at Douglas Park, but not seriously enough to cause him to quit riding. He is above the draft age and is one of the real veterans of the saddle.

Jack Adkins, owner of Woodpile, which won a race and finished second in two starts this spring, is one of the late arrivals here. Jack sent Woodpile back to Lexington to spend the summer.

YEARLINGS SHIPPED TO LOUISVILLE

Lexington, Ky., July 22.—John D. Carr & Brother have shipped to Kay Spence at Louisville, for W. E. Applegate, the following yearlings:

Chestnut colt by Master Robert—Chestnut Belle (dam of Belle Roberts), by Pirate of Penzance.

Bay colt by Marathon—Maid of Fortune (dam of Viley and Lost Fortune), by Prince of Monaco.

Chestnut filly by Jack Atkin—Helene (dam of Helen Atkin), by Hermis.

Also in the same car were shipped to W. E. Applegate the two recently purchased yearlings, the half-brother to the Trophy Stakes winner Batter Cake, a brown, by Helmet—Macaroon, by Marco, and the brown by Black Toney—Naulahka, by Himyar.

DAY OF RECORD SMASHING

Two Track Marks Are Shattered At Empire City Course.

Old Koenig Wins the Fleetwing Handicap in which Jack Hare Jr. Finishes Third.

New York, July 22.—The still heat was propitious for speed and two track records were broken at Empire City before a goodly crowd, which sweltered in the hot sun. The main attraction of the afternoon was the Fleetwing Handicap and the presence of Jack Hare Jr., which was added at the last moment, aroused keen interest in its decision. However, in respect to Jack Hare Jr., it was a case of the pitcher going to the well once too often. After Jack Hare Jr.'s easy victory in the Empire City Derby Saturday, his trainer figured that it was not asking too much of the game colt to start in today's race. However, results proved that the Applegate colt found the task of conceding so much weight beyond his powers, although the delay at the start may have been in a measure responsible for it.

Starter Cassidy's patience was sorely tried by all the starters in the feature race with the exception of Bally. For four minutes before the start there was a squirming mass, and certain it is Jack Hare Jr. must have suffered with his big weight up. Old Koenig happened to be several lengths back when the remainder of the field were straightened out and he was led up and off in motion when the barrier arose.

With such an advantage Old Koenig soon opened up a commanding lead and, racing at a terrific speed, easily held sway to the end. The speedy Flags raced after the flying leader and made a game but unavailing challenge on the far turn, and was tiring at the end. Jack Hare Jr. was third and Papp fourth. Papp made up ground in the stretch and seems improving.

The Fleetwing Handicap was first run in 1908, its winners and other details being as follows:

Year.	Winner.	A.Wt.	Jockey.	Val.	Time.
1908	Magazine	3 99	D. McC'rthy	$2,370	1:15⅕
1909	Jack Atkin	5 130	V. Powers	1,165	1:12
1910	Magazine	5 109	G. Archib'ld	1,150	1:12
1914	Ten Point	4 125	J. Butwell	1,355	1:13
1915	Phospor	3 108	J. Loftus	1,250	1:11⅖
1916	He Will	4 118	R. Troxler	1,345	1:12
1917	Top 'th' M'ng	5 135	M. Buxton	2,325	1:10⅕
1918	Old Koenig	5 128	L. Ensor	2,325	1:07⅘

Not run in 1911, 1912 and 1913. Run at Belmont Park in 1915.

FOUR STRAIGHT FOR SEA PIRATE.

J. S. Tyree's colt Sea Pirate gave further evidence today that he is a two-year-old of more than ordinary merit, when he conceded much weight to The Boy and Chasseur and beat them decisively in the five and a half furlongs dash, which started the day's proceedings. Incidentally, Sea Pirate scored his fourth straight victory and in running today's race in 1:05⅘, he hung up a new track mark for the distance.

The second race resulted in a runaway victory for Jack Stuart. The Marrone colt was the outstanding choice among the oral speculators, who were given a few anxious moments at the start, when the favorite was pinched back, causing him to lose several lengths. However, Ensor took Jack Stuart to the outside and the English-bred colt, displaying remarkable speed, soon overhauled the leaders and once in the lead, it was all over but the shouting.

Perugino was the choice of the Kentuckians in the mile and seventy yards dash, run as the third race, but after a brief display of speed, quit and dropped back. The winner turned up in Jefferson Livingston's Aldebaran, which escaped the early crowding and, racing into a big lead, was only cantering at the end.

The French-bred L'Infirmier, after many attempts, finally broke into the winning column, when he easily accounted for the fifth race. He was well ridden and, after closely following the pacemaker to the stretch, easily disposed of him in the final sixteenth and drew away at the end.

Starter Cassidy decided that Rowan was responsible for Lord Brighton's post behavior on Saturday and suspended him for the remainder of the meeting.

C. H. Diebold has purchased Austral from Mrs. E. D. Springer.

Jockeys A. Johnson and F. Robinson have reported to their respective employers at Saratoga.

G. Byrne has been engaged to ride the Viau representatives in their Saratoga engagements.

W. C. Weant, William Martin and others bid for Jack Stuart, but the colt was retained by his owner.

The approval of the stewards of the Jockey Club has been granted the following associations to conduct fall race meetings as follows:

Queen's County Jockey Club, at Aqueduct, September 16 to September 28, inclusive.

Metropolitan Jockey Club, Jamaica, September 30 to October 12, inclusive.

Empire City Racing Association, October 14 to October 26, inclusive.

GENERAL NEWS NOTES OF THE DAY

American troops on Sunday crossed the River Marne between Charteeves and Gland, east of Chateau Thierry, and captured the wood of Barbillon, according to authoritative announcement made at London yesterday. The Germans are stubbornly resisting the French crossing of the Marne, but the French have succeeded in getting two elements over at Mezy and Courcelles, which are constructing footbridges under heavy fire. The Germans are using gas shells in large numbers. The capture of Barbillon wood by the Americans means that the overseas men have advanced between three and four miles from their old position on the Marne.

There were signs everywhere yesterday that the Germans are destroying the material and munitions in the pocket to the north of the River Marne, between Soissons and Reims, preparatory to the entire evacuation of that area. The Germans are having the greatest difficulty in maintaining their communications in the salient. They are unable to utilize most of the railroads leading northward, owing to the incessant harrying from the entente aviators.

Frederick William, the German imperial crown prince, has been obliged to call for help from his cousin, Crown Prince Rupprecht of Bavaria. German divisions from the army in the north have been hurried down to protect the western flank of the defeated army which has been driven back over the Marne and ejected from Chateau Thierry by Franco-American troops.

Draft board officials at Washington yesterday delayed action until Wednesday on the request of baseball men that the work or fight order be delayed until the close of the present season.

The number of unwounded prisoners alone far exceeds the total casualties of the allied troops since the victorious advance began.

TOUGH SEASON FOR SCHORR STABLE

Memphis Turfman Had Only One Winner During Entire Kentucky Spring and Summer Racing.

Louisville, Ky., July 22.—The end of the spring and summer racing season in Kentucky found J. W. Schorr "champion" of the "hard luck" division, and further still, his bad luck seems to be pursuing him, since the sport wound up in the Blue Grass State. After going sixty-six racing days and winning only one race, the Memphis turfman decided that his stable needed new blood. Accordingly he purchased Lady Ivan from W. W. Darden after she was beaten a nose in a three-quarters race by Blue Paradise, and he figured that he would win a few races and wagers with her at Empire City and Saratoga.

Fate decreed otherwise, however. On the way to New York Lady Ivan broke down in the car and it is doubtful if trainers Louis Tauber and Eddie Delling will be able to get her to the races before fall at the earliest. The mishap to Lady Ivan was a most unusual one, and only a man in the hardest kind of luck could have had it happen to one of his horses. It is not an uncommon thing for horses to break down either in races or while working in the morning, but to have one go wrong while standing still in a car is about the limit.

The only race that Schorr won in Kentucky profited him only to the extent of the purse value. John W. Klein, as erratic a thoroughbred as ever lived, was the only representative from the Schorr establishment to get down in front, and he paid a "hatful" to straight tickets of $2 denomination. They called for something in excess of $50 each. On the day that he won, Schorr, as usual this spring, figured several horses in the race with better chances than his, and he let him run unbacked. So little confidence did he have in him that when Mrs. Schorr started to send a messenger to the betting ring with $15 to wager $5 "through the board" for her that Schorr advised her to "save her money," which she did.

This marked the first time in years that the Schorr stable has not been one of the principal money winners as far as purses were concerned. However, the two best horses in the barn, Harry Kelley and Butterscotch II., were on the ailing list throughout the spring and neither could be gotten to the post. Jas. T. Clark, which started at New Orleans last winter as though he was going to be a strong contender in the three-year-old division, fizzled out to nothing. He won his initial start in the Crescent City and he gave local turf patrons food for gossip as to his chances in the Kentucky Derby, but after his performances this spring he is a sure thing to run in claiming and selling stakes in the east and in Kentucky when the fall season rolls around.

As great as his reverses may be, Schorr fortified himself against them by the sale of Cudgel for $30,000 last winter. At that had he retained the great son of Broomstick—Eugenia Burch, he no doubt would have won that much in stake money with him thus far this year, to say nothing of the wagers he could have won. He would still have the horse to take east and he would have been more valuable than ever.

HARD PICKINGS FOR THE KENTUCKIANS

Western Horses Racing at the Empire City Track Have to Date Met with Scant Success.

New York, July 22.—The Kentucky contingent which has been arriving here for the past week or so, to date has cut little figure in the Empire City racing. Quietude was responsible for a lively interest on the part of the racing crowd earlier in the week, but after her miserable failure, there was an inclination to stick to the old favorites which have been racing around New York since the season opened. Friday the Kentuckians created a strong market for Night Owl and Buford, but they alone suffered through the double setback, as the easterners would have none of them.

Paddock gossip would indicate that the wiseacres don't look for much better success for the Kentucky horses in the future. There are no outstanding candidates for the richer events and the two-year-old division apparently contains nothing that will take the measure of the foremost eastern youngsters.

"Kentucky seems to be short on good-class horses this year," said one prominent trainer. "They may send something direct to Saratoga that will cause us to open our eyes, but on what we have seen, it appears certain the rich Spa stakes will be won chiefly by eastern horses, at least both in the two and three-year-old divisions.

"The Saratoga atmosphere may iron out the kinks of some of the older horses that have been performing in Kentucky, but that is hardly probable. The races run by Exterminator, Johren, War Cloud, Jack Hare Jr., Cudgel, Roamer and one or two others indicates that the western horses will have mighty poor picking.

"With youngsters like Elfin Queen, Lord Brighton, Eternal, Terentia, Blue Laddie and Sweep On representing the east, honors in the two-year-old division appears just as safe for that section of the country."

While the outlook for Kentuckians in the richer events does not appear to be of the brightest, it is almost certain they will win many races at Saratoga. They always have done so in the past. E. R. Bradley has some good performers and the same can be said for several other owners.

RACING COMMISSION TO MEET AUGUST 2

Lexington, Ky., July 22.—A telephone message to Senator J. N. Camden's home in Woodford County Saturday elicited the information from the office of the chairman of the Racing Commission, that a meeting of the commission will be held the first Friday in August, at which the matter of fall dates will be taken up.

Following the example of the Latonia and Douglas Park Associations, which will make good any deficit in their Red Cross pledge if racing is discontinued next fall, the Kentucky Association here, while it has not taken official stand, was said by Secretary Garrett Wilson to be as patriotic as any other body and that he had no doubt it would make up its share. The Kentucky Racing Associations and breeders pledged $300,000 to the Red Cross war fund, and about half has been secured from the meetings held the past spring and this summer.

Empire City Entries and Past Performances for Tuesday, July 23.

WEATHER CLEAR. TRACK FAST.

The figures under the heading "Rec." in the entries below show the best time of each horse at the distance since January 1, 1916, no matter where it finished. In cases where record was made on other than a fast or good track, abbreviations show track conditions.
All the old time records, from 1911 to 1915, inclusive, have been thrown out as too aged to be valuable as applied to 1918 racing.

Racing starts at 2:30 p. m. (Chicago time 1:30.) ⊗ Superior mud runner. × Good mud runner. ✻ Fair mud runner. (M) maidens. *Apprentice allowance.

First Race—1 Mile and 70 Yards.
